Camp Scholarship Application

Please review these guidelines and complete the application starting on page 3.

Camp Fire Minnesota is committed to making camp accessible to as many youth as possible.

Scholarships provide assistance to families for whom payment of the full tuition is not possible. Scholarships are awarded based on financial need and funds available. Please note, scholarship awards are not guaranteed.

Campers may initially request a scholarship to attend one session (one week). Parents/guardians with more than one camper may apply for one scholarship per camper.

Determining Financial Need

We know many factors beyond income affect a family's finances. We consider all information presented in this application when evaluating scholarship requests. The 2018 Poverty Guidelines are a reference for determining financial assistance. **If your income does not fit within the guidelines, but you have financial hardship from medical bills, housing, etc. please include those details in the "special circumstances" section of the application.**

2018 Poverty Guidelines for the 48 Contiguous States

Persons in Family/Household	Poverty Guideline
1	\$12,140
2	\$16,460

4	\$25,100
5	\$29,420

What we need from you:

- Application (pgs 3-5) completed in full.
- A \$50 deposit fee per camper to secure your camper's registration (once the scholarship is awarded). We ask that all families contribute at least the \$50 deposit fee per camper per session, but if that is outside of your means, we ask that you contribute what you're comfortable with.

What we do not need from you:

- We do not require information such as copies of free lunch eligibility, tax records, etc.
