

Camp Fire
MINNESOTA

Family Handbook 2021

Welcome to Tanadoona, Camp Fire Minnesota's nature-based camp that provides the space to completely unplug – and rediscover fun and adventure with friends in the outdoors!

With 103 acres of woods, wetlands, and prairie to explore along the shores of Lake Minnewashta, adventures are endless. We kindle an inclusive environment where all youth help build and feel like part of a community and we are committed to making nature-based experiences accessible through scholarship support.

Our counselors are among the very best, providing campers with encouragement, leadership, and exciting, energized programming. All of our staff are excited to help introduce youth to new, fun experiences help them build outdoor skills, develop self-confidence, and become environmental stewards.

Both campers and adults often have questions as they prepare for camp; our hope is that this handbook will answer many of those questions. Whether your camper has been attending for years or is coming to Tanadoona for the first time, please look over the information in this handbook. If you would like additional information we would be delighted to hear from you.

Sincerely,

The Staff of Tanadoona

About Camp Fire Minnesota

Our Mission: With nature as our catalyst, we energize youth to discover their spark so their futures glow brighter.

Our Values: We believe in...

- Love of Nature
- Including Everyone
- Courageous Leadership
- Can-Do Collaboration
- Fostering Youth and Community
- Innovation in Youth Development

As a member of the national organization, Camp Fire, Camp Fire Minnesota is a non-profit providing nature-based, social emotional skill building programs for youth grades K-12. Tanadoona is a beautiful, secluded Lake Minnewashta property operated by Camp Fire Minnesota.

In Minnesota, our programs include: school break and summer camps, teen leadership development, environmental ed/STEM field trips and in-class "field trips", out-of-school time programs in partnership with schools and affordable housing communities across the metro.

40% of youth in our programs attend with financial assistance.

Our Statement of Inclusion: Camp Fire believes in the dignity and the intrinsic worth of every human being. We welcome, affirm, and support young people and adults of all abilities and disabilities, experiences, races, ethnicities, socio-economic backgrounds, sexual orientations, gender identities and expressions, religion and non-religion, citizenship and immigration status, and any other category people use to define themselves or others. We strive to create safe and inclusive environments that celebrate diversity and foster positive relationships. All are welcome at Camp Fire.

About Tanadoona

Tanadoona is rich in history, nature, and culture. We have been located along the shores of Lake Minnewashta since 1924, with 103 acres to explore and learn in nature. Generations of fun and meaningful memories are part of what makes Tanadoona so special. Many of our campers today have parents and grandparents who attended Tanadoona summer camp as a child! Each summer our campers and counselors create new layers of memories at Tanadoona, making it uniquely their own. Tanadoona is operated by Camp Fire Minnesota, a 501c3 nonprofit.

Our Staff

The relationship between a camper and their counselor is at the heart of the camping experience. Tanadoona staff members are carefully selected for their maturity, patience, camping skills, and desire to work with youth, as well as their commitment to acting as positive, caring role models. In addition, all staff are trained in youth development, age-appropriate activities, behavior management, and group management skills. These counselors are further supported by a leadership team of program and administrative staff, who are all dedicated to seeing that the needs of campers are met. All camp staff go through a complete background check.

American Camp Association Accreditation

Tanadoona is accredited by the American Camp Association. ACA accredited camps have met or exceeded up to 300 nationally recognized standards. These standards are continually evaluated and updated to reflect state of the art camp practices. They address everything from program quality, to food preparation, to the qualifications of medical personnel and professional staff. Visit ACA's website at: www.acacamps.org for further information.

Our Commitment to Safety

The well-being of each camper is our first concern.

- All activities are supervised by trained staff.
- Watercraft activities require wearing life jackets and are supervised by trained lifeguards.
- Campers attend a waterfront orientation at the start of their session. This includes an explanation of the waterfront rules, buddy system, and a swim test (more about swim test on pg 8).
- Proper safety equipment is provided for all climbing activities and all campers are required to wear closed toe shoes.
- Campers are taught proper care and respect for equipment, nature, and others.
- Proper hydration is important. We require that all campers bring water bottle that they can refill throughout the day. Water is always available at the dining hall.

To ensure all campers have a safe camp experience, each camper must be capable of the following:

- Be able to understand, remember, and follow directions.
- Be able to respect and relate responsibly to other members of a group and the camp community.
- Be able to accept responsibility for their own belongings and respect all other belongings.
- Be able to participate as part of a group without ongoing one-on-one attention.

Registration Changes and Cancellations

Transfers

Session transfers are allowed pending availability. All transfers are subject to a \$10 transfer fee. Please contact our office with any session changes and transfer requests.

Additions to your registration

You may register online for additional sessions to a completed registration up to 10 days (two Fridays) prior to the session, provided space is still available. To edit your camper's existing registration, please contact the office. All camp additions are limited to availability.

Cancellation and Refund Policies

All cancellations **must be received in writing** by emailing info@campfiremn.org. If you cancel 30 or more days before the session begins, Camp Fire Minnesota will refund all payments except the \$50 deposit for each session. No refunds will be issued for cancellations of sessions that begin in less than one month. In addition, no refunds will be given if your camper leaves camp early or arrives late for any reason. We reserve the right to cancel any program for any reason we deem necessary. We will give as much notice as possible, and if we cannot find another acceptable Camp Fire Minnesota camp session, you will receive a full refund.

Camp Behavior Guide: Please review with your camper in advance

Parents and Guardians: Please take a moment to review the following guidelines with your camper. Staff will broadly review these expectations at the start of each session, and refer to them specifically to help redirect behaviors.

- I will arrive and remain at camp with a positive attitude, open to meeting new people and trying new activities.
- I will work with my counselors and fellow campers towards creating an environment that is safe and welcoming for all.
- I will always give other campers and staff members another chance to grow and start fresh. I will not hold grudges.
- I will work with my counselors and fellow campers to set expectations for our behavior and will adhere to these expectations.
- I understand that doing intentional harm or bullying another camper, either physically or emotionally, is grounds for dismissal from camp.
- I understand that although I may be able to solve some conflicts on my own, my counselors are always ready to listen and assist if there is a problem. I understand that my counselors and all of the camp staff need and want to help but can only do so if I am willing to share any concerns that I have with them.
- I will remain with my counselor or activity group as required.
- I will use appropriate language and understand that the use of excessive, deliberate, profane language will not be accepted.
- I will leave my cell phone at home understanding that if there is an emergency I should notify a camp staff member.
- I will be respectful of the property and personal space of other campers. I will use my camera in appropriate areas only and will not bring any video recording devices to camp.
- I will not possess smoking materials, lighters, matches, illegal drugs, alcohol or weapons of any kind on the camp grounds.

Failure to follow these guidelines may result in dismissal from Tanadoona programs for the session or the remainder of the summer.

Financial Aid

Applying for Financial Aid/Camp Scholarships

Camp Fire Minnesota is committed to making outdoor experiences, such as summer camp, available to all. Through the generous support of the community and camp families, we fundraise to provide camp scholarships. Families facing financial hardship are encouraged to apply to help cover their camp fees. We ask families to apply early and contribute as much as possible to their camper's fee to help us fund as many campers as possible. To apply for a scholarship or contribute to the scholarship fund visit tanadoona.org/scholarship. You may also email info@campfiremn.org or call (612) 235-7284.

Child Care Reimbursement

Tanadoona qualifies as a child care option for tax purposes. Camp Fire Minnesota's federal tax ID number is 41-0706116. Payment arrangements for flexible spending or other reasons are made on a case-by-case basis. Please contact Camp Fire's office at (612) 235-7284 to discuss reimbursement needs.

Program Goals

With Nature as our catalyst, we energize youth to discover their spark so their futures glow brighter

Our programs are designed to support the social and emotional development of youth and to encourage them to become stewards of the environment. Our programs are evaluated on four goals:

Goal 1: Youth thrive, gaining a strong sense of self, develop social emotional skills, develop skills and attitude to nurture healthy habits, and are empowered as leaders.

Goal 2: Youth discover their spark through active learning and experiencing a diversity of new opportunities, ideas and cultures.

Goal 3: Youth connect with spark champions through positive relationships with caring adults, their peers, and experience a sense of belonging at Camp Fire.

Goal 4: Youth value nature and steward the environment

Policies

Accessibility and Special Needs

Camp Fire Minnesota is an inclusive organization and is open to every person in the communities we serve. We welcome children, youth, and adults regardless of race, religion, socio-economic status, disability, sexual orientation, or other aspect of diversity. We will work to accommodate any special needs to the extent that our financial, human, and physical resources permit. Please let us know at least 30 days prior to your camper's week if we can work with you in this manner by calling (612) 235-7284.

Camp Guidelines

- Show respect for self
- Show respect for others
- Show respect for their surroundings
- Follow directions
- Safety first

Policies, continued

At camp, it is our primary goal to create a safe and positive camp experience for all campers. Camp guidelines help ensure this positive experience for all campers. Our staff are trained to work with campers to help them understand and honor our camp guidelines. Occasionally, a camper has difficulty adjusting to camp, in which case we consult with parents to determine additional options for managing inappropriate behavior. When deemed necessary, Camp Fire Minnesota reserves the right to dismiss campers for misbehavior or misconduct. Campers sent home as a result of inappropriate behavior are NOT eligible for refunds.

Visitor Policy

All visitors must check-in with camp staff when they arrive at camp. **For the safety of campers and staff, any guests who arrive at Tanadoona outside of regular check-in/out hours are required to check-in at the Camp Administration Office** next to the parking lot.

- A visitor's badge must be worn while at camp to signify to all camp staff that you have checked-in.
- Campers arriving after regular Check-in Hours must also check-in at the office before joining their group.

Counselor to Camper Ratio

Camp activities are structured around small groups. Each group consists of campers who are similar ages and may be co-ed. Usually, the age range is less than 24 months between the youngest and oldest camper in each group. Groups follow the staff to camper ratio guidelines set by the American Camp Association:

| Age | Resident | Day |
|-----------|----------|------|
| Age 0-5 | NA | 1:6 |
| Age 6-8 | 1:6 | 1:8 |
| Age 9-14 | 1:8 | 1:10 |
| Age 15-18 | 1:10 | 1:12 |

Late Arrivals & Early Pick-Ups

Occasionally campers need to arrive late or leave camp early. **Please plan ahead and notify us at least a day in advance by phone or email.** We will coordinate with your camper's counselor to have your camper ready to go at the time you plan to arrive. Be sure to check-in and check-out at the Camp Administration Office outside of regular check-in/out times. **Early check-out is available until 3:45pm, please plan accordingly.**

Activity Limitations and Swim Test

For safety reasons, campers under the age of 8 do not participate in climbing activities.

Some camp activities are subject to cancellation due to weather conditions at the discretion of the Camp Director.

All campers are required to take a swim test conducted by a certified lifeguard on the first day of camp. Campers will: float on their back for one minute, swim 25 yards, and tread water for one minute. Campers who do not successfully pass the test will be required to wear a life jacket in the deep area, but can swim without a life jacket in the shallow beach area.

Depending upon availability of lifeguards, campers who do not pass the swim test may have the opportunity to retake the test the following day.

Buddy Requests

Campers may request **ONE** friend to be paired with at camp as a tool to make other friendships. This camper must be close to the same age and registered for the same camp session and program. Campers whose requests are linked to multiple campers (daisy-chained) will not be granted. Requests will only be considered if both campers request each other; one-way requests will not be granted. Tanadoona has final say on all placements and cannot guarantee buddy requests can be met.

Tanadoona staff cannot give out information regarding another camper's buddy requests if the camper is not registered under the inquiring family's account. Tanadoona's buddy policies are in place to help prevent bullying issues.

Lost and Found

To aid in the recovery of lost items, we ask that you label all personal items with your camper's name or initials. Lost

Policies, continued

and Found items are collected daily and stored in a designated area that is accessible to parents during pick-up. **Lost items are kept for one week.**

Parents and guardians are encouraged to call and make arrangements to pick up items that have been found. Items will not be mailed. Any end-of-summer items not picked up by September 4 will be donated to charity.

Camp Store

All campers will have the opportunity to purchase snacks and souvenirs from the camp store. Cash is not accepted, please add money to your camper's account in advance. How to add money to their account:

- **Before the first day of camp:** Login to your account to add money to your registration online.
- **After camp begins:** call us M-F 9:00a.m. – 5:00 p.m. to add funds – (612) 235-7284, select option 1.
 - If you call outside of office hours, please leave a voicemail that includes your camper's name, age and how much you wish to deposit. These requests will be processed the following day when our offices open.

Families will be notified of any balance exceeding \$7.50 remaining in their child's store account at the end of the camp season (September). You may choose to donate their balance to the Camp Fire Camp Scholarship Fund or have the balance refunded. Balances at or below \$7.50 will be automatically donated to the Scholarship Fund. All refunds will be subject to a \$2.50 administrative fee.

Birthdays

We like to celebrate birthdays at Tanadoona! Please notify staff before bringing birthday treats to camp so we can best fit time into the program week and advise parents on quantities and allergy concerns. All food brought to camp must be nut free.

Camper Photos - Bunk1

Tanadoona has partnered with Bunk1.com to provide photos for parents to view throughout the week. *There is no cost to view or download photos.* Information about setting up your account will be sent prior to the beginning of the summer. In the meantime, you may also view our Bunk1 information page by visiting tanadoona.org/Bunk1.

Health, Safety, and Well-being

Illnesses Before and During Camp

The safety and health of all of our community is of the utmost importance. If any of the following applies to your camper **DO NOT** send your camper to camp.

- is feeling ill
- is showing symptoms of COVID-19
- has had recent exposure to COVID-19
- has vomited recently
- has a fever (100 degrees or higher)
- has lice.

If any of these develop while at camp, your camper will need to be picked up promptly. Please call 612-235-7284 to inform us of your situation so we can work with you on the options that day and for the rest of the week.

In the best interest of fellow campers and staff, your camper must not have a fever, not have vomited, or must have been treated for lice for **24 hours** (including their belongings and clothing) before returning to camp. Each family's situation is unique. If you have any concerns or questions, please don't hesitate to contact us for clarification.

Camp Health Center

Qualified health staff (a staff person certified in first aid, CPR, and AED) are on-site at camp at all times. Camp staff will provide care for minor accidents, injuries, and illnesses. There is also a doctor or hospital on-call in case of illness or

Health, Safety, and Well-being, continued

injury that requires additional medical attention. Every reasonable attempt will be made to notify parents, guardians or other listed contact persons in the event of an emergency or if your camper requires care beyond the limitations of our staff. Camp is serviced by the 911 emergency systems.

COVID-19 Prevention

We are closely following guidance from the CDC and the Minnesota Department of Health around COVID-19 recommended precautions. You can find our latest updates at <https://campfiremn.org/covid>

Creating and maintaining a healthy and successful summer camp experience for all our campers will take us all working together. While away from camp, please do all you can to help keep our camp community safe and healthy.

- Stay home when you are sick or have been in close contact with someone who is sick.
- Practice physical distancing
- Wear a mask in public
- Wash your hands frequently

Medications

Please help us by keeping any prescriptions or medicine brought to camp in the original containers with original labels and placing them inside a zip lock bag along with a photo of your camper. Give to health or administrative staff at check-in. All medications are dispensed by designated, trained camp staff. Per health policy, a medication administration release form will need to be completed at check-in if medications of any kind are being sent with your camper.

Ticks, Mosquitoes, and Other Bugs

At camp we spend a majority of our time outdoors. Depending on the weather conditions, mosquitoes may be an issue. The Minnesota Health Department recommends applying bug repellent that contains 10-30% DEET. Please send SPRAY repellent (not aerosols) with your camper. While we have never had a problem with ticks, we recommend you check your camper for ticks when they return home. Wearing bug repellent also helps repel ticks.

Notice Regarding Health insurance

Camp Fire Minnesota does not provide health or medical insurance to any participant in our camping programs.

Please avoid the following:

- Making the "Pick-up Deal." Offering to come get your camper if they are not having fun does not provide incentive for them to work through their feelings or to seek support from their camp staff or other campers.
- Bribery. Linking a successful stay at camp to a material object sends the wrong message. The reward should be your child's new found confidence and independence.

Weather Considerations

Tanadoona has adequate shelter for rainy days but getting from one building to another may produce muddy, wet feet and possibly wet clothing if proper rain gear is not worn. Please send your camper with extra clothing for cool mornings and hot afternoons, as well as the occasional rain shower.

Severe Weather Procedures

Staff routinely check the weather to monitor for changing conditions.

In the case of severe weather, please **do not** call. The phone lines need to be kept clear for emergency use.

There is ample emergency shelter space for all campers and staff at Tanadoona. Campers and staff will remain in shelter spaces until the severe weather has passed, including during check-in and check-out times.

Parents/guardians can expect an email and text message to the "primary parent" listed on their camper's account whenever campers are moved into our storm shelters, and an additional message when they are safely released back to their cabins. **Text alerts can only be sent to the listed "cell phone" on your account.** Please be sure that field is filled in.

Health, Safety, and Well-being, continued

Authorized Drivers

To reduce paper use during check-in/out, we'll be using tablets to check-in/out campers. Please read this section closely to ensure your account lists all Authorized Drivers. If you have any questions about your account, please let us know.

Camper and staff safety is our first priority. While you can designate multiple adults to pick up your camper, we will not release your camper to anyone whose name is not on their Authorized Pickup list and does not have a photo ID present at pickup.

During registration you'll be asked to complete this information (it's listed above Waivers at the end of the registration form).

- Be sure to click on each authorized name. An adult is authorized when their name is shown in blue font (names in grey font indicate they are *not* authorized).
- Click "+Add Pickup" to add new authorized adults.

If you've already registered, please double check that you have current information in your Active registration.

- [Log-in to your account](#)
- On your dashboard select "Manage Authorized Pickup" on the right
- An adult is authorized when their name is shown in blue font (names in grey font indicate they are *not* authorized).
- Add a new name to the list by clicking "+Add Pickup" and entering a name and phone number for the new adult. Authorize or unauthorize names by clicking on the person icon to the left of their name so that it's blue and says "Authorized".

The authorized individuals will show up on staff's tablets to allow authorized adults to drop-off and pick-up your camper.

Please Note: Camp counselors are unable to add new authorized adults during camper check-in/out. To make any changes in-person you must visit the Camp Admin Office (directly in front of the parking lot). Updates can also be made in advance - online or by phone/email.
