## MODERN FACILITIES IN A NATURAL SETTING

Camp Fire Minnesota provides a beautiful natural setting for group rentals, including meetings, retreats, galas, weddings, and other special events. Our 103-acre Excelsior property, located on Lake Minnewashta, features Big Woods, natural prairie, pollinator garden, wetlands, and hiking trails.

Conveniently located in the southwest metro and bordered by Lake Minnewashta Regional Park, your guests will feel far up north and surrounded by nature.

Whether you're looking for a half-day meeting or a multi-day event, we can help you plan it. Groups may rent specific facilities, areas of camp, or have exclusive use of the property.

Every season offers a unique experience your guests are sure to remember. Camp Fire is available September through May.

## TEAM-BUILDING

Looking to build camaraderie or just a little more fun? Our talented staff work with each group to develop a custom program around your specific goals. Camp Fire staff will lead your group in an experience that encourages conversation and ideas of how your group can work better together. If your group is simply looking to have fun, we do that too!

Activities may include archery, snowshoeing, challenge course, high ropes, climbing wall, canoeing, kayaking, guided nature hike, and more.
