About Camp Fire Minnesota

With nature as our catalyst, we energize youth to discover their spark so their futures glow brighter.

Youth spend 90% of their time indoors. Camp Fire Minnesota addresses this challenge by delivering culturally relevant, nature-based programs at our Excelsior and Grand Rapids properties and throughout the community to over 6,500 youth from all backgrounds each year. We help youth "light their spark within" through summer camp, environmental education & STEM classes for schools, and community-based out-of-school time nature programs.

We are proud to offer inclusive and welcoming programs to youth in the community. To this end, 40% of Camp Fire youth participate at reduced or no cost. As a result of their Camp Fire experience, 92% of youth report valuing nature and stewarding the environment.

Our summer camps at our Excelsior property offer youth and teens, progressive, nature-based learning through day, specialty day, overnight, adventure and leadership development camps. Camp Fire Minnesota is an ACA accredited camp.
