# SUMMER CAMP YEARBOOK

Dear 2025 Campers and Families,

As the weather gets cooler, I want to take a moment to say **thank you**. This summer at Camp Fire Minnesota has been filled with **laughter, learning, and countless memories** that we will all carry with us long after the last campfire has burned out.

We are so proud of our campers for the **courage** they showed in trying new things, the **kindness** they shared with one another, and the **joy** they brought to every activity. Whether it was conquering a high ropes challenge, singing loudly at campfire, or simply making a new friend in the cabin or group, each camper contributed to the spirit of camp in their own unique way.

To our families, thank you for entrusting us with your children. Watching them grow in **confidence, independence, and community** has been a privilege, and we are grateful for your partnership in making this experience possible.

Although summer has come to an end, the friendships and lessons learned here will last far beyond the season. We hope your camper takes home not just great stories, but also a deeper sense of belonging and adventure.

On behalf of our entire staff, thank you again for being part of summer 2025. We look forward to welcoming you back for more **memories, laughter, and growth** in the summers ahead!

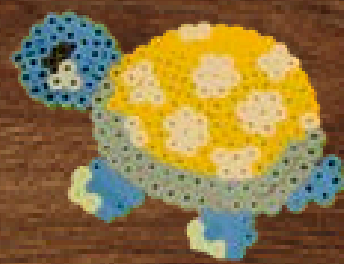

With gratitude and warm wishes,

**Paddy Cullen**  
Camp Director

**PADDY'S FAMILY**

We hope to welcome you back soon!
